Dear Parents

In assembly on Tuesday the whole school spent time thinking about 'being our best' in learning every day. The children thought hard about our Golden Rule 'We Work Hard' and how they can show this in every lesson. This is really important in raising standards so please take some time to talk with your children about this at home.

Jacqui Noble

MOVING FORWARD PROGRESS

This week we have worked with the Heads from the other Trust Schools to observe teaching across the school. The children have shown good behaviour for learning in lessons and we have seen teachers and children challenging themselves.

Our weekly staff meeting focused on strategies to support dyslexia learners and children with dyslexic tendencies in class.

Our Year 3 team have been over to Ashton Gate this week to observe writing lessons and to plan writing with a specialist leader in education. Mr Wells has also attended Professional Development at Ashton Gate and observed phonics teaching.

STARS OF THE WEEK

Congratulations this week go to Harry, Matilda, Dexter, Louis, George, Sam, Darcy, Luca and Hannah. We're all very proud of you!

LOST PROPERTY

Please take the time to name your child/children's clothing as we have rather a lot of lost property at the moment. This lost property will go out into the bottom playground at the end of the school day.

FOREST SCHOOL

Forest School has already started with Y2 and Y4 going out to the park and using slack lines this week. Please ensure your child has their Forest School clothes in school for their sessions, particularly with the cold weather. Please see the timetable below for details.

Wednesday PM – Y4NF

Thursday AM – Y2

Thursday PM – YR

Friday AM – Y4AB

PE KIT

Please ensure that your child has a labelled PE kit in school all the time. Some PE lessons do take place outside (weather permitting) so children need leggings or jogging bottoms during the winter months. For health and safety reasons it is essential that all children change for PE and therefore if children do not have a PE kit in school they will be unable to join in PE lessons. Children are able to leave their PE kits in school.

FOOTBALL TEAM

Well done to both of our Football Teams who played their first games last night. Ms Winter was really impressed with their attitude and how well they played as team. Thank you to the parents who are running the club and to Ms Winter.

WEBSITE

We have been updating the website so please take a look. We will be continuing to do this over the coming months to make the website a better resource for everyone and we welcome any comments you might have about things you would like to see on the website.

SPECIAL MENU

Next week we have a different menu (please see attachment). Please also note, Thursday is Census Day and numbers for dinners are important.

PARENT HELPERS/VOLUNTEERS

We are always looking for parent helpers and volunteers to help around school. If you are interested in helping please speak to Ms Redpath.

EXTRA-CURRICULAR CLUBS

It has been really great to see all the extra learning and fun that children have been having at extra-curricular clubs. I've seen robots being built and used, extra maths, Y6 Sports Leaders helping other children to 'wake up on Wednesday', children getting involved in complex maths problems and enjoying drama club. Thank you to all the staff who give up their time to run these clubs.

Monday – Code Club – Y4, 5 and 6

Wednesday AM – WOW – all year groups

Wednesday PM – Funk-it-up dance – KS2
