Dear Parents and Carers,

Thank you to all of you who attended parent evenings this week. It was lovely to hear all the positive comments about the school.

This week all the classes have been taking part in the Bristol Reading Project. They have used high quality texts to inspire different activities, from soap carving to Animal X Factor. It has been great to see the enthusiasm shown by pupils and teachers alike.

It has also been lovely to see how much some children are reading, having taken in the Reading Records over the last couple of weeks. I have been particularly impressed with the higher quality texts which the children have been reading. Thank you to all the parents and carers who have been supporting their children with this. We really want the children to take pride in these reading records and keep up the four entries a week.

A big thank you to all the children who came along for the Year 5 and 6 Netball Tournament at Ashton Park this week and the Girl's Football Tournament at South Bristol Sports Centre. They were a real credit to the school and to themselves.

HOME LEARNING PROJECT

One week to go and I am getting excited to see the quality of those who have chosen to undertake my home learning challenge.

SPOTLIGHT ON SAFEGUARDING

Keeping fit and healthy by taking part in physical activities is great for your child's well-being. It doesn't have to be a competitive activity. Riding a bike, going for a walk are all great ways to keep the body and mind healthy. It also means less screen time and will help with sleep too.

ATTENDANCE

Well done - YR, Y3 and Y5NP on 100% this week.

Overall school attendance was 98% - well done Luckwell!

JEWELLERY

Please ensure that stud earrings or small hoops are worn. No rings or bracelets are to be worn so please ensure they are not brought in to school.

SCHOOL UNIFORM

Please can we remind you children at Luckwell should be wearing either a red school logo fleece, cardigan, sweatshirt or a plain red fleece, sweatshirt or cardigan. Sports tops with logos or Football logos are not allowed.

PARENTPAY

There is quite a few accounts in arrears, either with school dinners, trips, after school clubs, music lessons and swimming. Please can you take the opportunity over the weekend to check your child's account and make payments where necessary. We are expecting auditors in very soon and need our accounts up to date. Thank you in advance.

INTERNATIONAL EPILEPSY DAY (PURPLE DAY)

Tuesday 26 March we want to raise awareness of Epilepsy. 87 people are diagnosed with epilepsy every day. Epilepsy can affect anyone, anytime and can change lives in a moment.

Children please come to school dressed in **PURPLE**

Young epilepsy is one of the key charities in the UK
